CAD Masters, Inc. Earns Autodesk Consulting Specialization

Autodesk Partner Now Providing Consulting Services and Expertise for AEC Industry

Walnut Creek, CA, March 24, 2012 – CAD Masters, Inc, an Autodesk Gold Partner, today announced that it has earned the new Consulting Specialization designation for value added resellers from [Autodesk, Inc.](http://Autodesk.com), a world leader in [3D design](#), engineering and entertainment software. As an Autodesk Consulting Specialized Partner, CAD Masters, Inc. has shown that they have made significant investment in their people, they have a solid consulting business plan, they have reference able customers, and that they offer a high level of knowledge and support to customers in the AEC industry.

The new Autodesk Partner Specializations enable partners to highlight and brand their expertise in delivering services in key industry areas. By completing the required curriculum and training, as well as meeting required levels of service and standards set by Autodesk, CAD Masters, Inc. demonstrates through their strong customer service and support in sales what it means to be a trusted adviser to Autodesk customers throughout the world.

“Earning the Consulting Specialization designation from Autodesk emphasizes our expertise in consulting and support services in the AEC industry, also giving us the opportunity to expand and build upon our knowledge base.” says Michelle Self, president of CAD Masters, Inc.

About CAD Masters, Inc.

CAD Masters, Inc. has been California’s leading CAD Implementation and Services provider and Autodesk Value Added Reseller since 1994. CAD Masters has been recognized as a valued partner by Autodesk in many ways. We are an Autodesk GOLD Partner, an Autodesk Consulting Specialized Partner, an Autodesk Government Specialist, an Autodesk Authorized Training Center (ATC), an Autodesk Certification Center, an AutoCAD Civil 3D Implementation Certified Expert, and a member of the Autodesk Developer Network.

CAD Masters, Inc. is also the developer of CMI CAD Standards Manager for all AutoCAD-based products, including AutoCAD Civil 3D, AutoCAD Map 3D, AutoCAD MEP, and AutoCAD Architecture software. The CMI CAD Standards Manager software provides a comprehensive set of CAD standardization tools specifically designed to automate standards within Autodesk software.

For complete information or to purchase CMI CAD Standards Manager for AutoCAD software, visit <http://www.cadmasters.com/standardsmanager.asp>.
