## **CAD Masters, Inc. Online CAD Books now Available in Version 2012!**

CAD Masters, Inc. will now Offer all Online CAD Books in Version 2012.

**Walnut Creek, CA, April 19, 2011** – CAD Masters, Inc., Autodesk Authorized Training Center, announced today that it will offer online versions of its popular courseware—CAD Masters CAD Books, with updated 2012 content.

“CAD Masters CAD Books are a great option for professionals who are interested in polishing up their CAD skills with a self-paced, affordable learning tool that provides access to all of the materials anytime, anywhere.” says Michelle Self, President of CAD Masters, Inc.

And now, all CAD Books are updated to reflect changes in the newly released Autodesk 2012 software portfolio.

CAD Books are based on the same quality content included in our training courseware, including exercise files for hands-on practice. New features include: search, linked table of contents, bookmarks, thumbnail view, **and video demonstrations** of many topics.

Here is a list of [CAD Books](#) currently available in version 2012:

- AutoCAD Update 2012 – [FREE OF CHARGE](#)
- AutoCAD Introduction
- AutoCAD Advanced
- Civil 3D Introduction
- Civil 3D Advanced
- AutoCAD Map 3D
- AutoCAD Architecture
- AutoCAD MEP
- Navisworks Introduction
- Raster Design (coming soon)

### **About CAD Masters, Inc.**

CAD Masters has been recognized as a valued partner by Autodesk in many ways. We are an Autodesk GOLD Partner, an Autodesk Government Specialist, an Authorized Training Center, an Autodesk Certification Center, a Civil 3D Implementation Certified Expert, and a member of the Autodesk Developer Network. CAD Masters received Autodesk’s top award for Customer Loyalty in 2008.

CAD Masters, Inc. is also the developer of CMI CAD Standards Manager for all AutoCAD-based products, including Civil 3D, Map 3D, AutoCAD MEP, and Architecture. This software provides a comprehensive set of CAD standardization tools specifically designed to automate standards within your Autodesk software.
